

We hope everyone is enjoying the start to their summer break! Before school shopping begins, we wanted to send out a note and a reminder about our uniform and dress code policy here at LBCS. We will continue with our modified uniform/dress code policy.

- Students have the choice of navy blue or beige bottoms, including pants, shorts, capris, or skirts. **Shorts and skirts must be at or longer than finger tips. Please see photo below.**
- Students may wear solid collared shirts in any color with no logo larger than a thumb print. The LBCS logo can be larger than thumb print.
- Outside wear may have appropriate designs or logos on them.
- Shoes need to be enclosed shoes or sandals with a back strap. (6th-8th grade only can wear flip flops)
- Fridays are free dress/Spirit Days. Clothing on these days must be appropriate. We will announce additional spirit days through out the year.
 - Shirts must have at least a 1" strap.
 - **Shorts and skirts must be finger tip in length. Bermuda style shorts are recommended.**

Students who are dressed inappropriately will be removed from class. Parents will be contacted so that appropriate attire may be brought to school and the student can complete the school day. Whenever possible, school personnel will attempt to resolve the issue in the most efficient manner possible to alleviate lost learning time. Students may be asked to wear donated clothes that are kept in the office.

We have attached photos of appropriate uniform attire. Below you will also find a list of appropriate shorts for girls and stores that carry school uniforms. These are just a few of the stores carrying the appropriate attire.
