We are excited to invite our LBCS families to watch the culminating performance of the 6 week Starstruck program our PYP and select MYP students have been participating in.

PTC is happy to FULLY SPONSOR Starstruck again this year thanks to the huge success of our fundraising efforts and generosity of our school community. Thank you!

There will be 2 different performance times and space is limited! Please only plan to attend the show time your child is performing in. Seating is available on a first come basis.

Single stem roses will be available to purchase for \$5 each, CASH ONLY at each performance.
